

Crowdy Head Surf Life Saving Club *Function Centre*

The Crowdy Head Surf Life Saving Club was formed on the 7th September 1956 at the Cooperbrook Hotel and became reality in the 1957-1958 surfing season to provide a safe bathing beach for the locals of Crowdy Head, Harrington and the surrounding district.

Today, Crowdy Head Surf Life Saving Club has been renovated to incorporate a full function centre to cater for:

- Weddings
- Conferences
- Meetings
- Training Seminars
- Group Functions
- Special Events

The clubhouse faces northeast with panoramic views over Crowdy Bay, the Crowdy Bay National Park, the Boat Harbour and Headland and is the only beach front function centre in the area.

The interior of the function centre is upstairs with stair access via the front and rear and a lift at the rear for the elderly and disabled. The wide covered patio at the front is readily accessible from the interior to enjoy the view or the sea breezes.

Crowdy Head SLSC Function Centre is a unique destination and we look forward to the opportunity to discuss your requirements with you to help create a memorable function.
